BECAUSE

You are the future. The responsibility for the future rests in your hands. The world is a chaos. War, starvation, oppression, loss of freedom, imperialistic aggression prevail. If a change is to be made, it will be you, the youth of today and the citizen of tomorrow, who will make it.

It is with this thought in mind that we, the Senior class, designate this, our annual, as our class memorial.

Often you are taken in a matter of fact way and we students do not fully appreciate the part that you, the faculty, play in our school organization. Now, as we Seniors must leave behind our school years, we realize that Fremont Ross High could not be one of the outstanding schools in the state without your spirit and cooperation.

Sammie and Susie, having attained the rank and dignity of seniors, are now deserving of the title of Samuel and Susan. They have now reached the top in their high school career, but are starting from the bottom of life on their own. Being reluctant to finish this phase of life is natural, but they do not lack courage. The 1940 class is proud to have graduated from such a fine school.

Your Heritage

"Growing Pains" are over. A Junior thinks he is mature enough to strut around with his head in the air and let the world know who he is. Perhaps he has reason to feel this way, for it is his first experience in helping to sponsor dances, the prom, and a class play.

You and Reveries

ROOTIN', TOOTIN', SHOOTIN' COWGALS

Miss Crowley

Miss Bosworth

Out of the land of roaring guns and ten gallon hats rode two outstanding personalities who joined our faculty for a year. In true Western fashion Miss Bosworth's and Miss Crowley's friendly manner won them many friends at Ross High School.

As evidence of this friendship, many of their former students requested that their pictures be placed in our book this year.

Freddie and Frances — the ambassadors of the Freshman class. Their first year of high school, during which they entered school activities with much enthusiasm, has started them on the long and rocky path leading to the Senior class. To you, we extend our wishes for a four years as full of fun and work as we have had.

JUNIOR HIGH STUDENT COUNCIL

The Senior High Student Council, made up of home-room presidents of the tenth, eleventh, and twelfth grades, are leaders in school government. In studying methods of other schools, they have striven to better the conditions of "traffic jams", danger coming to and from school, and countless other problems. Their endless work in school-wide projects is truly distinguishing. Mr. Stokes deserves comment for his tireless effort in acting as advisor.

SENIOR HIGH STUDENT COUNCIL

The younger set of governors, our Junior High Student Council, is yet learning what it means to conduct an orderly school. They acted as supporters in all junior-high projects and sometimes overshadowed the efforts of the older group. Most of their meetings were combined with the senior high group.

DOLLS, DANCES AND DONATIONS

The Girl Reserves organization is the younger member of the Y. W. C. A. It is made up of four groups which include the Women's Council, Advisory Council, Girl Reserves, and Little Sisters. The initiation of the newly-organized Little Sisters was a highlight of this year's program.

During the football season, the combined Girl Reserves and Hi-Y conduct a refreshment stand at the stadium. Christmas time brings the annual Girl Reserve tea and donations to the King's Daughters. In the spring of the year the customary Mother-Daughter Banquet and spring dance is held.

JOLLY GOOD FELLOWS

"To create, maintain, and extend throughout the school and community high standards of Christian character" is the purpose of the Hi Y Club, which has been carried out very actively this year. Among the many activities in which the Hi Y participated this year are the District Council, over which a member of our Hi Y presided, the State Conference at Youngstown, and the III National Congress at Oberlin. The Hi Y, cooperating with the Girl Reserves, made the Christmas program and the collection of gifts for the poor a huge success.

Ping pong, swimming, basketball and other kinds of recreation are also included on the Hi Y program and make Monday night an enjoyable evening for its members.

DO—RE—MI

Scales up to high "C" and down to low "G." The members of the A Cappella Choir have a chance to show their range. Mrs. Datesman, with the suggestions of the choir, places the members in chairs according to ability.

Their program included singing at various churches, the Women's Club and at the Buckeye League. Many of the members attended the opera in Cleveland.

Th organization has proven itself outstanding and worthwhile.

FUTURE SWARTHOUTS

The student body has had little opportunity to hear the Girls' Glee Club, under the direction of Mrs. Datesman. They sang at the combined P. T. A. meeting and made one public appearance with the Boys' Glee Club.

Part of this group will form the future A Cappella Choir.

MELODIOUS MUSICIANS

The purpose of the Boys' Glee Club is to forward an interest in music, particularly classic. It is a means of securing training for advanced music. Under the direction of Mrs. Datesman, they have made several public appearances.

Day by day and year by year, the Library Staff and Miss Kuntz unpretentiously give service and knowledge to you.

"TO BE OR NOT TO BE"

The flowing words of this debate team enabled them to win seventy-five out of one hundred twenty debates, with ten non-decisions. Many hard hours of study and preparation were spent.

Resolved: That the government should own the railroads—this was the question in debate. Participating in the Western Ohio-Southern Michigan District, National Forensic League, they were defeated only by Columbus North. One member who did humorous declamation work succeeded in going to the finals in the N. F. L. at Lima. To Coach Weaver goes our congratulations for the success of his team.

YOURS TRULY

"What a life!" More than once was this ejaculated by some harrassed member of the 1940 Annual staff. Requiring weeks and months of hard work, it also brought with it much experience and fun. In this, our annual, we have tried to gather together all the major events of our school life, so that when in years to come we sigh for the good times we had during our school years, we may have some permanent evidence. To Mr. Tooley we extend our wholehearted thanks for his splendid supervision.

CHATTER CUBS

Next year's news hawks — the members of the Sophomore Press Club must be alert and show talent in the writing field. The meetings are spent studying the elements of journalism and those passing a test given at the close of the school year are automatically members of next year's Chatter staff. To Mr. Tooley goes the credit for organizing this junior Chatter staff.

NEWS AND NOTES

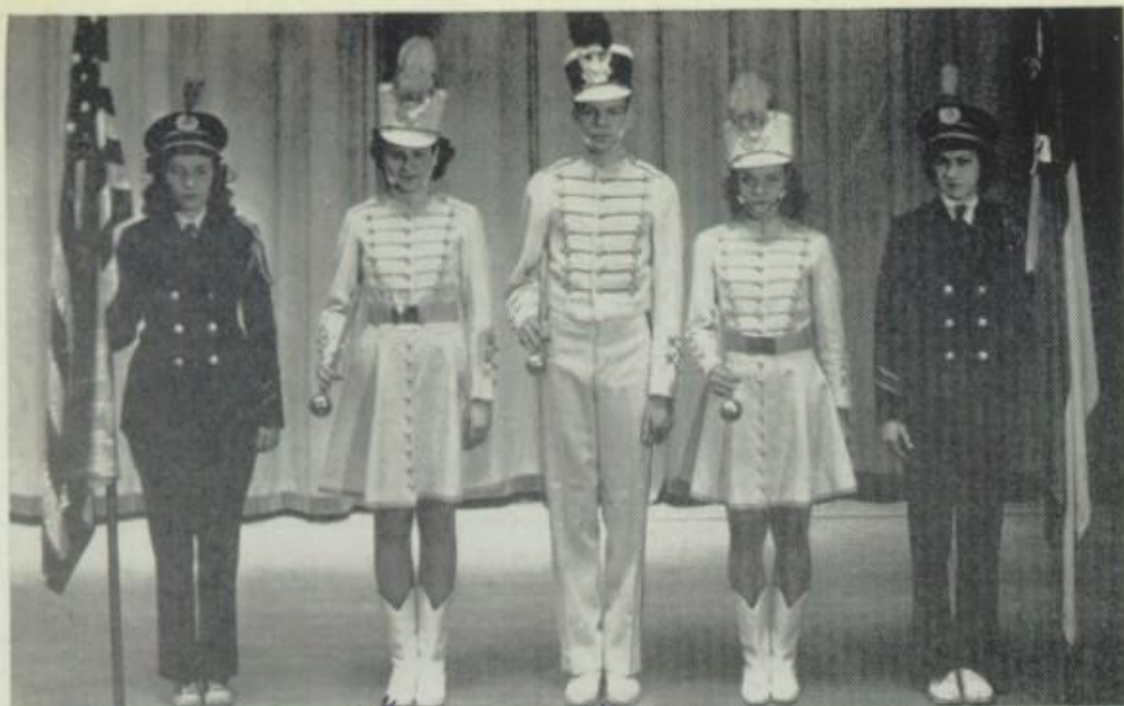

"Beats" to be tracked down, stories to be assigned, deadlines set, copy to be proof-read, dummies to be made up and sent to the printers—such is life on the Chatter staff. "Make good, don't make excuses" must certainly be followed if the paper is to be a success. Working together is essential if the Croghan Chatter is to come out on time with lively, interesting news about the school and its students. To Mr. Tooley and his staff, congratulations!

FROZEN FEET

"Straighten up those lines," "heads up," "majors ready," "number 16 up," "there goes the whistle — left!", are all the sounds that are heard about the band before marching. The band members are outstandingly co-operative. Their success in ratings proves this. The three new majors have been an added attraction to the band. Their perfect routine acts have caused complimentary comments. Under the direction of Mr. Sells, our band has risen to heights of which we may well be proud.

SWEET AND SWING—

You have spent many evenings dancing to both, from the rhythm of your school dance orchestra. Under the direction of Mr. Sells, they have appeared before the County Teacher's Program and the Football-Popular Concert. Although they do not make a practice of public appearances, they do play for the Junior class dances.

LET'S BE ROMANS —

Play their games, sing their songs, act their plays, see the things they saw through pictures and slides, have a Roman banquet, and even enjoy a Roman Circus. Thanksgiving—filling of baskets for needy families. Christmas—comparison of the Roman Saturnalia and our Christmas. These are a few of the varied activities of Miss Katzenberger's Latin Clubs.

MONSIEUR AND MADAMOISELLE

The Senior French class, under the supervision of Mademoiselle Forsyth, has organized "Le Cercle Francais" in order to further the French language, gain some knowledge of French literature and art, and to more deeply appreciate the culture and people of France. The club, which meets once a month, is conducted in French.

The club was organized to obtain a broader knowledge of French customs and the French mode of dress. It assembles the fourth Friday in every month. At these meetings talks are given and pictures are shown on the background of France, and the famous Frenchmen who have acquired a name for themselves over a span of years. Advisor of the club is Miss Lisle.

STARVING STUDENTS STANDBYS

A ring of the bell and the cafeteria is crowded with starving boys and girls. Now, let me see—what will I have? Baked beans, salad, a cheese sandwich, and a bottle of milk—that sounds good. Long hours of hard work have been spent by Miss Gordon and her many helpers in preparing appetizing menus.

"DOUBLE DOOR"

"Double Door," a gripping story of horror and mystery, was presented by the Senior class of 1940. Central character of the play is the dominating Victoria Van Bret, who rules her household with a hand of iron. Keeping the audience in suspense until the very end, it was truly a great dramatic effort.

"WHAT A LIFE"

"What A Life," a rollicking comedy centered around the hilarious adventures of Henry Aldrich, was this year's Dramatic Club contribution. Continual laughter ran through the auditorium as the audience, captivated, gave the players their undivided attention. The curtain fell only to be parted again as the audience enthusiastically demanded a curtain call.

"THE ENEMY"

An anti-war play, "The Enemy" was presented by last year's Senior class and hailed as one of Ross High's greatest dramatic efforts. The philosophy of Professor Arndt, that all peoples are alike and that hatred is the real enemy, formed the basis of the play. In recognition of world events today, the play was indeed timely.

FOR ALL THE WORLD'S A STAGE

Experienced directors—try - outs—master lines—rehearsals—cues—final polish—dress rehearsal—timing—stage fright—make-up—curtain—last performance—curtain call—stupendous success. All this goes with the glory of the stage. All students have the privilege of membership in this vital organization. Directed by Mr. Bone, assisted last year by Miss Forsythe and this year by Miss Roberts, the club can well be proud of its productions.

"SEVEN KEYS TO BALDPATE"

"Seven Keys to Baldpate" is a mock melodrama which concerns the efforts of a playwright to complete a play in twenty-four hours at Baldpate. This hotel supposedly had only one key but as the play progresses seven keys eventually turn up. The ending of the play is a surprise to all who have witnessed it.

MIGHTY MENTORS

Ross High School has definitely made a place for herself in the Buckeye League this year, and the results of the success may be found in our trophy case. Part of our splendid record is due to the excellent coaching staff of our school. To our coaches we offer congratulations on the splendid work they and their squads have done.

AFTERMATH

A grand coach and a brilliant star — a great combination. Under the guidance of such coaches as John Titsworth, Bob Shaw has made his mark in the high school sports world and the future offers unlimited possibilities. We offer a salute to a great athlete, not only in one field but in several, and know that in years to come we will be proud to claim him.

VARSITY FOOTBALL

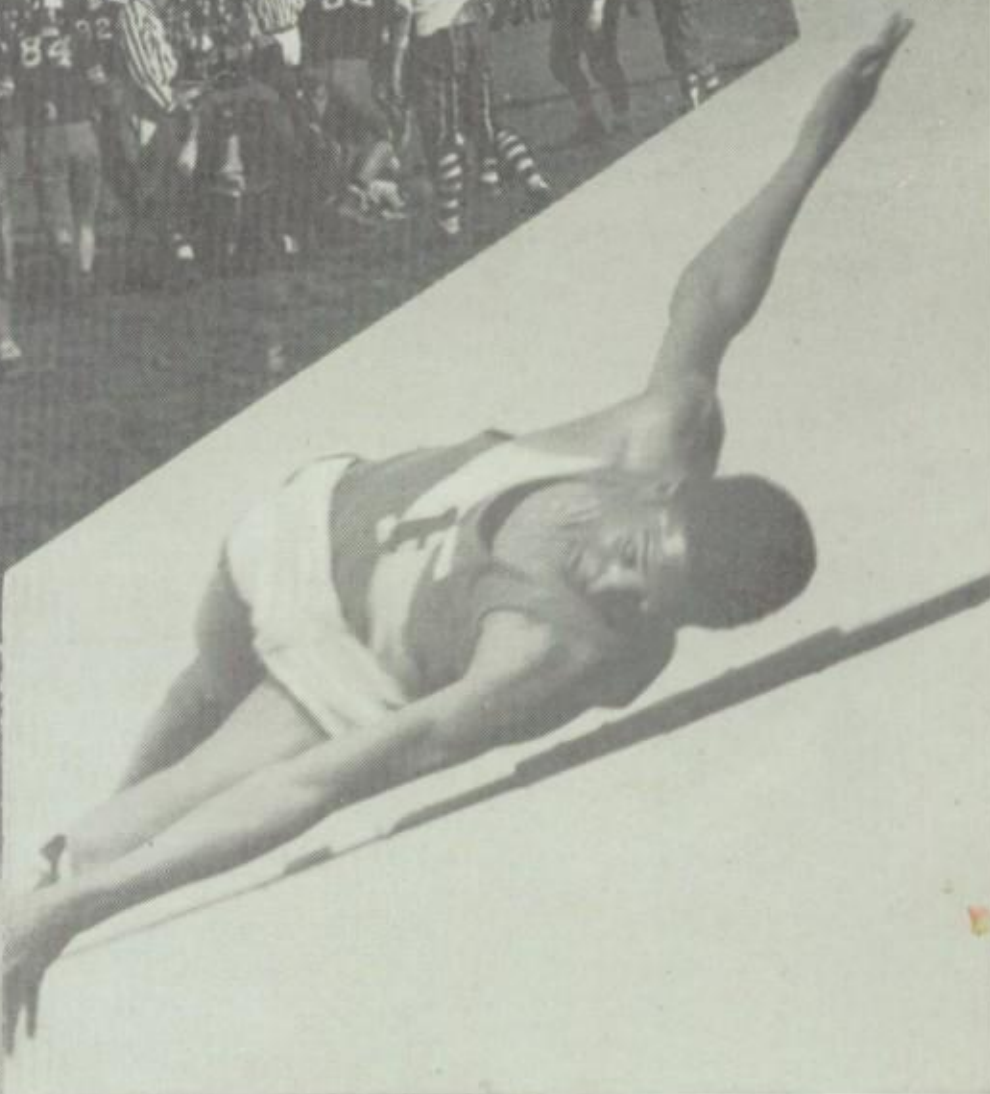

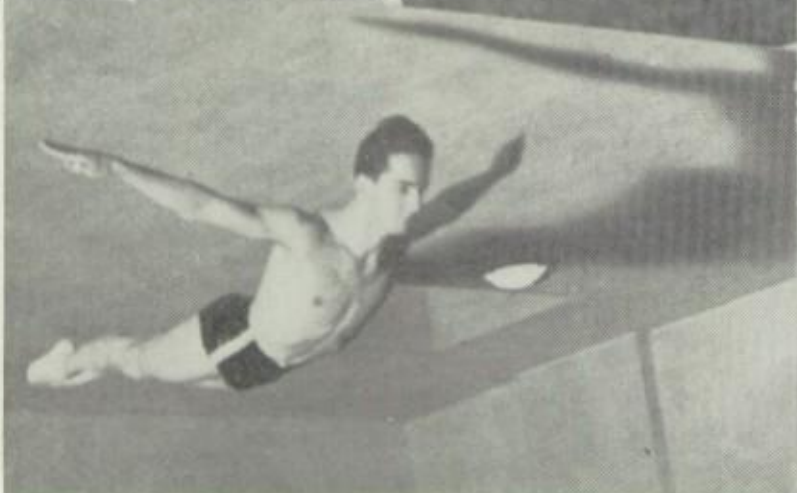

From the first day of September to late in the Fall these grid-
 ders work in such perspiring hot days that they can hardly stand
 up, only to be on hand when the early snows fall. By hitting the
 turf and clinging hard to the pads of their opponents, they have
 brought King Football back into the hearts of more fans of the
 Purple and White.

For the first time in eight years these gridders brought back
 the laurels of a Buckeye League Championship to Fremont Ross.

This year our varsity team came through with one of the
 most commendable seasons for some years by winning 8 out of
 their 10 game schedule, losing only to Toledo Scott and to our
 most bitter rival, Sandusky.

Our team outscored their opponents by piling up a total of
 238 points to their opponents' mere 96.

Through excellent coaching, under Coach Edward "Clark" Gabel, the Ross quintet turned in one of the most successful seasons ever witnessed by Ross basketball fans. For the first time in the six year Buckeye Loop history our basketball team won the Buckeye League championship.

Excellent cooperation among players and the coaching staff also played an important part in winning the championship.

Bob Shaw, a senior who gained all-state recognition, and Jack Carroll, a flashy junior, carried the Ross scoring attack while Brunover, Manahan, Ruland, Berger and Jenkins turned in some of the best floor games ever performed before by Ross.

The amazing record that these five boys leave behind is 16 victories and 2 defeats, including carrying the Purple and White to the semi-finals in the tournament.

VARSITY SWIMMING

Another season has gone by and again the swimming team has come through with flying colors. Coaches Stults and Gruse have been working constantly and diligently from the beginning of school until the end to produce one of the most successful sports of Ross High. Each member has worked for and with the coaches in producing a winning team. As the records show, they were very successful, winning eight dual meets and tying one, tying for second in the Relays, winning the District, and placing second in the State Meet.

TRACK

High jump, broad jump, high hurdles, low hurdles, pole vault, discus throw and many running events go to make up the sport of track. Because of all these activities, track offers opportunities to anyone with athletic ability. More track aspirants reported to Coach Althoff this year than past years, as there was no spring football.

The Buckeye Meet of 1940 which was held here, May 11, was won by the Fremont Little Giants who amassed a total of 79 points to their nearest competitor, Findlay's, $24\frac{1}{2}$. This meet was one of the most colorful track meets that has been held here for some time.

In the District Meet at Mansfield, Fremont was not as fortunate, however, and placed fifth. Henry Sewell was the only Fremont entry to qualify for the State Meet. In the State Meet he placed 19 out of a large field.
